DUAL CREDIT SUGGESTED COURSE SEQUENCE

Best Practices

- 1) Sociology could be offered to Freshmen
- 2) Foreign Language is not required for AS degree plan, could substitute electives
- 3) Government should be offered after History
- 4) ENGL 1302 is a prerequisite for British Literature
- 5) Freshmen and sophomores are limited to 2 courses per semester
- 6) Students who begin as Freshmen and Sophomores should meet with college advisors by the end of their sophomore year to ensure a smooth transition.
- 7) Bilingual students are encouraged to explore CLEP testing to meet foreign language credits.
